CME Information

Target Audience

This course is designed for anesthesiologists, physicians, and other members of anesthesia care team.

Learning Objectives

Upon completion of this activity, learners will be able to:

- assess the efficiency and logistic implications of a dedicated acute pain service within an anesthesia practice.
- review the most up to date guidelines in regards to anticoagulation in the perioperative period.
- assess physician wellness and its implications on a physician's practice.
- review the latest clinical guidelines and statistical analysis of the COVID-19 pandemic.
- review federal issues impacting the practice of anesthesiology and how to properly advocate for the profession.
- prepare to conform to Georgia's new surprise billing law.

Disclosure Policy

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists accredited activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

All planners, faculty, and staff have disclosed no relevant financial relationships with commercial interests.

Disclaimer

The information provided at this accredited activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society of Anesthesiologists and Georgia Society of Anesthesiologists (GSA). The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians. The American Society of Anesthesiologists designates this live activity for a maximum of 6.0

AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification in Anesthesiology™ program and MOCA® are registered trademarks of The American Board of Anesthesiology®. MOCA 2.0® is a trademark of the American Board of Anesthesiology®.

This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

The deadline for claiming credit for this live activity is Dec. 31, 2021, 11:59 p.m. CT.

Claiming Credit

Please follow these directions to complete the evaluation, claim your credit and print your certificate. The date on your certificate will reflect the date upon which you claim credit.

Click the following link and log in using your ASA credentials:
<https://education.asahq.org/totara/course/view.php?id=3867>

Complete the evaluation, claim credits, and print your certificate.

OR

Log in to the ASA Education Center at: <http://education.asahq.org/>.

Once you have logged on to the ASA Education Center homepage, click the tab that says "MY COURSES" to select the link: *2021 Georgia Society of Anesthesiologists (GSA) Winter Forum*

Complete the evaluation, claim credits, and print your certificate.

NOTE: To retrieve your username and/or password, enter your email address at:
<https://www.asahq.org/member-center/forgot-password>

PLEASE NOTE: you can only claim credit one time and you must claim your credits for this course by December 31, 2021. You will NOT be able to claim credits after this date.
